

STCU benefits at a glance

At STCU, we value your contributions to our success and want to provide you with a benefits package that protects your health and helps your financial security, now and in the future. We continually look for valuable benefits that support your needs, whether you are single, married, raising a family, or thinking ahead to retirement. We are committed to giving you the resources you need to understand your options and how your choices could affect you financially.

INSURED BENEFITS

Employees and their families are eligible to elect medical and vision coverage through Premera Blue Cross and dental coverage through Washington Dental Service.

DISABILITY BENEFITS

STCU provides employer paid long term disability coverage for employees.

Non-Washington employees are able to elect voluntary short term disability coverage.

Washington employees are covered by the Washington State Paid Family & Medical Leave benefit.

LIFE INSURANCE & AD&D

STCU provides employer paid life insurance & AD&D coverage.

Employees are eligible to elect voluntary life insurance for themselves and eligible family members.

TAX-SAVINGS BENEFITS

Employees are eligible to contribute to the 401K plan after 90 days of employment. After one year of employment, STCU will match 100% of your contribution up to 5%. After two years of employment, STCU contributes an additional 5% of the total compensation of all eligible employees.

Employees may elect to participate in the Healthcare Flexible Spending Account (FSA) or Dependent Care Flexible Spending Account (FSA).

COMPENSATION

Employees in external sales roles receive commission-based pay.
