Who we are

Catch22 exists to help build a society where everyone has a good place to live, good people around them, and a fulfilling purpose. We call these our '3Ps'.

We achieve this in two ways. First we improve lives on the frontline through delivery of public services. Secondly, we use our knowledge to change 'the system', to fix the complex web that can trap and disempower those it was set up to help. With the heart of a charity and the mindset of a business, we are uniquely placed to deliver on this challenging agenda.

Where you fit in

National Leaving Care Benchmarking Forum (NLCBF)

NLCBF is made up of over 130 local authority leaving care teams and aims to improve services and support for care experienced young people. At the heart of our work is our Young People's Benchmarking Forum – ensuring that the voices and priorities of care experienced young people shape our work.

NLCBF's main activities include running 9 hybrid events each year for leaving care professionals and care experienced young people; facilitating online events and workshops throughout the year and working to influence policy and decision makers in government and other public bodies.

The NLCBF team is made up of a core team of six people, eight sessional workers and a wider group of 'Champions' who are care experienced volunteers.

Role of the Practice Lead

The purpose of the Practice Lead role is to ensure that the National Leaving Care Benchmarking Forum remains up to date with the latest legislative, policy and guidance developments in leaving care,

and stays at the forefront of best practice. The post holder will utilise this knowledge to share information, develop products and tools for members, and to deliver training, consultancy work and events to members, in order to achieve our aim of improving outcomes for young people leaving care..

The post holder will:

- Remain at the forefront of best practice and key trends in the leaving care sector.
- Work with the other Practice Lead and the NLCBF Manager to develop the policy and practice focus to support NLCBF members, leading on a number of topic areas.
- Support the running of engaging events for NLCBF member local authorities for sharing best practice, national updates and for networking.
- Work closely with the Co-production and Engagement Lead to ensure the voices of care experienced young people are shared throughout the work of NLCBF
- Actively research and develop a network of experts in the leaving care sector, fostering and maintaining these relationships so they can contribute towards achieving outcomes for the Forum.
- Actively engage with local authority members and non-members to understand their key successes and challenges, and develop strong relationships.
- Support the management of the day to day business of the NLCBF and work closely with the NLCBF Manager to ensure this provides value for money for members and makes the best use of resources.
- Provide expertise to NLCBF members, relevant Catch22 services and wider Catch22 staff and partners on practice issues and solutions for supporting young people leaving care.

Main Duties & Accountabilities

- Actively build networks and develop strong relationships with local authority members and relevant wider stakeholders, creating links and pursuing practice development or speaker opportunities.
- Have an oversight of leaving care practice nationally, and specifically within member local authorities.
- Provide information and guidance to NLCBF members about developments in policy and practice relating to young people leaving care.
- Work with members in groups or individually to support them in benchmarking their services and develop policies and improve practice.
- Liaise with members to identify and share areas of good policy and practice development.
- Support and work with the Stakeholder Group, Steering Group and NLCBF Manager to maintain effective relationships with government and other key stakeholders.
- Support the work of the Young People's Benchmarking Forum with the Co-production and Engagement Lead.
- Develop and deliver training and consultancy to practitioners on a range of issues for the NLCBF.

- Oversee the planning, organisation and evaluation of NLCBF events, training and activities, and facilitate events for members.
- Attend NLCBF and external events, training and conferences to represent NLCBF.
- Contribute to the monitoring and evaluation of the NLCBF.
- Produce information about the work of the NLCBF on Catch22's website and social media.
- Work with the NLCBF team and other staff to actively identify and develop income generation opportunities.
- Work collaboratively with Catch22 staff to support the development of research, products and bids to benefit the Forum and support development of wider Catch22 relevant services.
- Work collaboratively with Catch22 staff in developing and sharing best practice in helping young people achieve positive outcomes.
- Produce appropriate reports, management information and other communication materials as required.

What does good look like for this role?

- Passionate about young people and committed to ensuring that care leaver outcomes improve nationally.
- Practice Lead develops and lead events, workshops and training & develops resources that meet the needs of NLCBF member local authorities.
- The Practice Lead builds good relationships with partner organisations and other public bodies that support young people leaving care, creating opportunities for improving support.
