ESSENTIAL FUNCTIONS/RESPONSIBILITIES

1. Safely and efficiently perform various physical tasks, as needed.
2. Alertly tend to production equipment and assist with preventative maintenance tasks; notify supervision of need for repairs and any safety hazards that may exist.
3. Handle general maintenance and housekeeping duties, including but not limited to cleaning floors and windows, offices and bathrooms, washing/painting walls, removing rubbish, and removing debris from the facility grounds.
4. Safely and properly use various tools and equipment such as a forklift, personal man lift, scissor lift, overhead crane, and electric pallet jack.
5. Actively engage and collaborate with plant personnel and leadership to ensure seamless operations by presenting ideas and providing support.
6. Promote positive Team Member and customer relations by supporting Pyrotek's commitment to a working environment of tolerance, acceptance and civility. Respond appropriately to inquiries, concerns and complaints by being professional, courteous and respectful at all times.
7. Maintain regular, consistent, reliable, punctual and predictable attendance, as required to achieve internal and external customer satisfaction.
8. Actively and positively participate in problem resolution, demonstrating constructive communication, timely response and effective resolution skills. Work effectively within team environments both within your department and across the organization.
9. Cooperate and comply fully with all Pyrotek policies and procedures. Actively support and follow the Pyrotek Safety Program.
10. Actively support compliance with all relevant ISO management system standards by establishing, implementing, maintaining, and controlling processes and planned changes to identify and manage environmental aspects, impacts, risks, opportunities, and compliance to achieve continuous improvement and prevent adverse effects and emergencies. Ensure outsourced processes' and providers' environmental aspects are controlled or influenced.
11. Participate in company/department meetings, training activities, continuing education programs and other associated activities.
12. Consistently promote and communicate Pyrotek's core values through work performance and excellent customer service.
13. Perform other tasks as assigned.
