## **ESSENTIAL FUNCTIONS/RESPONSIBILITIES**

1. Actively engage and work in partnership with plant leadership and support personnel to understand manufacturing processes, varying from engineering, purchasing, production, and distribution.
2. Learn and support planning and purchasing responsibilities and functions, including but not limited to:
  - a) Referencing engineering drawings, and accurately creating bills of material(s) and routings in the Visual ERP system.
  - b) Properly utilizing material resource planning, and accurately purchasing raw materials required for production orders.
  - c) Thoroughly evaluating capacity of different resources to appropriately schedule product shipping dates.
  - d) Creating or editing documentation needed to support the Supply Chain department.
3. Perform project work for an assigned area and/or scope of work, and present related information to corresponding stakeholders.
4. Promote positive Team Member and customer relations by supporting Pyrotek's commitment to a working environment of tolerance, acceptance, and civility. Respond appropriately to inquiries, concerns, and complaints by being professional, courteous, and respectful at all times.
5. Maintain regular, consistent, reliable, punctual, and predictable attendance, as required to achieve internal and external customer satisfaction.
6. Actively and positively participate in problem resolution, demonstrating constructive communication, timely response, and effective resolution skills. Work effectively within team environments both within your department and across the organization.
7. Cooperate and comply fully with all Pyrotek policies and procedures. Actively support and follow the Pyrotek Safety Program.
8. Participate in company/department meetings, training activities, continuing education programs and other associated activities.
9. Consistently promote and communicate Pyrotek's core values through work performance and excellent customer service.
10. Perform other tasks as assigned.

## **PHYSICAL/SENSORY REQUIREMENTS**

*The following physical activities described here are representative of those required by a Team Member to perform the essential functions of this position. Reasonable accommodation, if feasible, will be made to enable individuals with disabilities to perform the functions of position.*

Must be able to sit for long periods-of-time, bend, and reach, use stairs, lift up to 25 pounds occasionally and communicate effectively in English by telephone, in person and in writing. Effectively use a personal computer, office equipment and telephone.

## **WORKING ENVIRONMENT**

While performing the essential responsibilities of this position, Team Member generally will work in an office environment, with occasional work in an industrial manufacturing environment, where moderate background noise, presence of natural and artificial light, exposure to work temperatures from ambient to controlled, hard walking surfaces for standing and walking, and moderate amounts of airborne graphite dust, are present. Personal Protective Equipment (PPE) such as approved footwear, respirators, safety glasses/goggles, etc., may be required.
