ESSENTIAL FUNCTIONS/RESPONSIBILITIES

1. Accurately prepare purchase orders, solicit bid proposals, review requisitions for goods and services, drive cost improvements, and maintain records of goods and services purchased.
2. Precisely review and source to product specifications, maintaining a working technical knowledge of the goods or services to be purchased.
3. Ensure accurate and timely completion of all orders to be shipped by planning, coordinating, and verifying availability of materials (inventoried and consumables), and releasing work orders to production using MRP.
4. Responsible for quarterly reviews of safety stock parameters. Effectively maintain appropriate levels to support the critical products at the finished goods level, intermediates, and raws on fabricated and purchased items.
5. Thoroughly research and analyze potential and existing suppliers based on price, quality, selection, service, support, availability, reliability, production and distribution capabilities to make sourcing decisions.
6. Provide timely communication to Customer Service and Sales team(s) in the event of a customer order shipping delay.
7. Proactively monitor changes in demand and communicate variations to ensure readiness of orders, and to ensure inventory is rightsized.
8. Precisely follow proper procedures to account for raw material deviations and process changes.
9. Assist the Production Team with inventory transaction issues and investigations and provide resolution to ensure accurate inventory levels and work order costs.
10. Collaboratively lead and participate in continuous improvement events and activities to support the business.
11. Support Purchasing and Production Scheduling functions as a backup for vacation coverage.
12. Promote positive team member and customer relations by supporting Pyrotek's commitment to a working environment of tolerance, acceptance and civility. Respond appropriately to inquiries, concerns and complaints by being professional, courteous and respectful at all times.
13. Maintain regular, consistent, reliable, punctual and predictable attendance, as required to achieve internal and external customer satisfaction.
14. Actively and positively participate in problem resolution, demonstrating constructive communication, timely response and effective resolution skills. Work effectively within team environments both within your department and across the organization.
15. Cooperate and comply fully with all Pyrotek policies and procedures. Actively support and follow the Pyrotek Safety Program.
16. Participate in company/department meetings, training activities, continuing education programs and other associated activities.
17. Consistently promote and communicate Pyrotek's core values through work performance and excellent customer service.
18. Perform other tasks as assigned.

PHYSICAL/SENSORY REQUIREMENTS

The following physical activities described here are representative of those required by a team member to perform the essential functions of this position. Reasonable accommodation, if feasible, will be made to enable individuals with disabilities to perform the functions of position.
