**Professional Investment.** Demonstrated commitment to own personal professional development and learning.

## ESSENTIAL FUNCTIONS/RESPONSIBILITIES

1. Safely and efficiently use hoist, slings, cranes, and forklifts to move raw materials and finished goods throughout the facility.
2. Efficiently and effectively perform routine tasks such as cleaning, cutting, boxing/crating stock, and loading/unloading of materials using various production equipment.
3. Operate a variety of equipment, including but not limited to, saws/cutting equipment, hand and battery-operated tools, material crushing equipment, hydraulic press and pneumatic press, customer supplied/owned equipment, floor sweeper and floor scrubber, and part cleaning machines.
4. Perform general cleaning duties (e.g., manual sweeping, vacuuming, floor sweeper/scrubber) throughout the plant.
5. Accurately complete all inspection and inventory forms as required, utilizing measuring devices such tape measures and micrometers; tape measures are both metric and standard.
6. Accurately label raw, work-in-process (WIP), and finished goods materials used in the department.
7. As assigned by the department supervisor, assist higher-level Specialty Graphite Operators with various manufacturing tasks, including making mixes, moving materials and products, data recording, etc.
8. Actively participate in cross-training activities related to Specialty Graphite Operations by becoming cross-trained and cross-training new hires and other operators, to ensure operational continuity and efficiency.
9. Promptly report all maintenance needs or emergencies to plant leadership.
10. Continuously maintain a safe, clean, and organized workstation.
11. Supports all ISO systems and personnel. Ensure all ISO documents and procedures are followed and participate appropriately in the event of an audit.
12. Promote positive team member and customer relations by supporting Pyrotek's commitment to a working environment of tolerance, acceptance and civility. Respond appropriately to inquiries, concerns and complaints by being professional, courteous and respectful at all times.
13. Maintain regular, consistent, reliable, punctual and predictable attendance, as required to achieve internal and external customer satisfaction.
14. Actively and positively participate in problem resolution, demonstrating constructive communication, timely response and effective resolution skills. Work effectively within team environments both within your department and across the organization.
15. Cooperate and comply fully with all Pyrotek policies and procedures. Actively support and follow the Pyrotek Safety Program. Including the prompt reporting of any safety needs.
16. Participate in company/department meetings, training activities, continuing education programs and other associated activities.
17. Consistently promote and communicate Pyrotek's core values through work performance and excellent customer service.
18. Perform other tasks as assigned.

**PHYSICAL/SENSORY REQUIREMENTS**

*The following physical activities described here are representative of those required by a Team Member to perform the essential functions of this position. Reasonable accommodation, if feasible, will be made to enable individuals with disabilities to perform the functions of position.*

Must be able to stand for long periods of time, bend, reach, walk, and use hands and fingers to handle or feel. Ability to lift up to 65 pounds occasionally and up to 25 pounds frequently. Must be able to communicate effectively in English by telephone, in person and in writing and effectively use a personal computer. Specific vision abilities required by this job include close vision, color vision, peripheral vision, depth perception, and ability to adjust focus.

**WORKING ENVIRONMENT**

While performing the essential responsibilities of this position, Team Member generally will work in an industrial manufacturing environment, where moderate background noise, presence of natural and artificial light, exposure to work temperatures from ambient to controlled, hard walking surfaces for standing and walking, and moderate amounts of airborne graphite dust, are present. Personal Protective Equipment (PPE) including but not limited to goggles, respirators and safety footwear may be required.
