

Where Compassion, Growth, and Teamwork Come First

At **Fairlea Animal Hospital**, we believe great veterinary care starts with taking care of our people. Our team is built on compassion, collaboration, and a shared commitment to supporting one another, both professionally and personally. In a field where burnout is real, **we prioritize mental health, check in often, and make sure no one feels like they're carrying the weight alone.** The ideal candidate works well under pressure, embraces teamwork, and is always willing to step in and help. If you're looking for a place where your growth is supported and **your well-being matters**, you'll find it here.

A Culture That Has Your Back

Our culture is **close-knit, supportive, and genuinely fun.** We work hard, but we also know how to laugh and enjoy the day together. From **cookouts and team lunches to summer days by the river**, we prioritize connection outside the clinic. New team members are welcomed easily, and mentorship happens naturally through a team that truly values teaching and learning.

Equipped for Advanced, Efficient Care

We offer a wide range of services including **same-day urgent care, emergency surgeries, advanced surgical procedures, exotic pet care, and boarding** services.

- Digital & dental radiography
- Ultrasound
- In-house laboratory diagnostics
- Oxygen kennels (3 units)
- IV pumps and syringe pumps
- Anesthesia machines and monitoring equipment
- Dental scalers, cautery unit & more

Life in the Mountains

Located in Lewisburg, WV, Fairlea offers a peaceful small-town lifestyle surrounded by mountains and outdoor recreation. Just minutes from the Greenbrier River Trail and Greenbrier State Forest, you'll have easy access to hiking, biking, and scenic views. Downtown Lewisburg adds a vibrant arts scene, local dining, and community events, creating a unique blend of nature and culture.
