

A Place to Grow, Shine, and Love What You Do

Ark Animal Hospital isn't just a place where you work—it's where you can find your purpose, thrive, and love what you do. Here, we're all about teamwork that feels like family, fresh ideas that inspire, and creating a space where everyone can shine. With a full-service facility packed with everything from laser surgery to boarding and grooming, you'll have all the tools to make a real difference. Plus, with Marietta, Kennesaw, and Acworth right around the corner, it's the perfect mix of career and community. If you're ready for a role that's as rewarding as it is fun, come join us!

Make an Impact at Ark Animal Hospital

At Ark Animal Hospital, we value open communication and innovation. Every team member has a voice, and we encourage sharing creative medical solutions to ensure the highest quality care - this is how we continue to improve and provide the best for our patients.

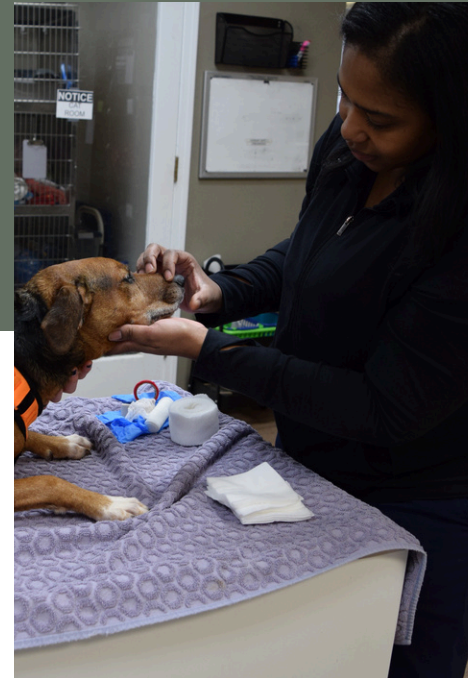

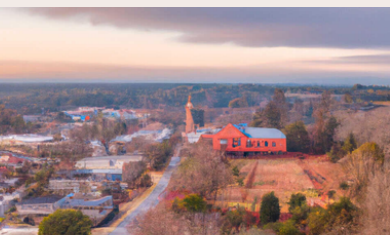

Committed to Medical Excellence

Our commitment to providing exceptional care includes a wide range of equipment and services, as well as expertly trained team members.

- In-house Bloodwork and Diagnostics
- Digital Radiology and Ultrasound
- Laser Surgery
- Full Dental Capabilities

Charm and Adventure Await in Your New Home

Looking to settle in a place full of charm and adventure? Hiram and its neighboring communities offer the best of both worlds—small-town vibes with easy access to Atlanta. Explore the Silver Comet Trail, enjoy Lake Allatoona, or shop at Cobb County Farmer's Market. Nearby towns provide you with great parks, dining, and local attractions. Whether you're into outdoor fun or relaxed living, Hiram is the perfect place to call home.

Why is Ark So Special?

Google reviewers talking about our amazing team...

"Very helpful and friendly staff!"

"We always feel welcomed, and our pets do too!"
