DOG & CAT
HOSPITAL**

Making a Difference, One Pet at a Time

For over 30 years, we've been a trusted part of the LA community—a true neighborhood staple. Providing **high-quality, walk-in care** isn't just what we do, it's what our community counts on. We believe in fostering an environment where compassion and expertise come first, creating a space where you can **feel truly connected** to the pets and families you serve. If you're passionate about delivering the best veterinary care—and about building relationships that last—this is the place for you. Welcome to where your career, community, and calling come together.

Equipped for High Quality Medicine

At East Los Angeles Dog & Cat Hospital, we believe providing the best care starts with giving our team access to the best tools—that's why our hospital is fully outfitted with modern, high-quality equipment to help you do your best work every day.

- Digital X-ray
- Ultrasound
- Full Dental Suite
- Comprehensive Anesthesia Monitoring

Culture Rooted in Care and Community

We're not just here to provide excellent veterinary care—we're building a clinic culture where you are set up to do your best. From day one, you'll feel supported by teammates who've got your back, leaders who listen, and mentors who are genuinely invested in your growth. Whether you're scrubbing in, solving a tough case, or just grabbing a coffee between walk-ins, you're part of a team that celebrates wins big and small. It's more than medicine—it's connection, collaboration, and a lot of love for pets.

Discover the Heart of East LA

In East LA, you get the best of both worlds—neighborhood warmth and endless ways to explore. Hike up Ascot Hills for killer views, unwind at local parks, or hit the beach in under an hour. Want more action? You're minutes from downtown with world-class food, concerts, and nightlife. Whether you're into weekend adventures or low-key hangs, East LA keeps life interesting—and always close to what matters.
