Where Medicine and Culture Comes First

At Honey Creek Veterinary Hospital, we believe great medicine starts with a great team. For over 35 years, we've been a trusted part of the community, building strong relationships with pets and the people who love them. Our hospital has that close-knit, family feel where collaboration comes naturally, and your voice truly matters. We have a full in-house IDEXX lab, digital radiology, and a loyal client base (including exotic pet owners!). If you're looking for a place where you can be part of something meaningful—this might be the perfect fit!

Built for High Quality Veterinary Medicine

Our practice has been a trusted name in the community for decades, offering great care to our patients. Enjoy fully equipped facilities that include:

- In-house Diagnostics
- In-House and Online Pharmacy
- IDEXX DR Rad System
- Dental Care and Surgery

A Hidden Gem Just Outside Atlanta

Located just east of Atlanta, Conyers provides easy access to the city while maintaining a relaxed, community-focused feel. Outdoor lovers can explore the scenic trails and wildlife at Panola Mountain State Park or go horseback riding at the Georgia International Horse Park, a legacy of the 1996 Olympics. With highly rated schools and a welcoming atmosphere, Conyers is a great place to plant roots!

Where Culture Drives Care

With a close-knit, collaborative team and a true family feel, we prioritize open communication and a supportive environment where every voice matters.
