

New Smyrna Beach Animal Medical Center

Where High-End Medicine Meets Coastal Living

At **New Smyrna Beach Animal Medical Center**, we offer more than typical clinic visits. We deliver advanced veterinary care in a setting where pets are treated like family and the team thrives together. If you're someone who loves staying busy, enjoys variety in your day, and values working with **a team that brings ideas and heart to everything they do**, you'll feel right at home here. Here in beautiful New Smyrna Beach, we blend full-service medicine with the relaxed vibe of coastal Florida. Our mission? Compassionate partnerships with pet parents, **cutting-edge diagnostics**, and a team culture built on respect, trust and shared success.

Fully Equipped for a Broad Range of Care

Our facility is built to support **variety, growth, and high-impact cases**. You'll work with technology and services that elevate patient care and create learning opportunities day-to-day

- Digital radiology and imaging (including ultrasound)
- In-house lab analyzers (IDEXX)
- Full surgical suite for routine procedures, advanced soft-tissue, orthopedic and specialty surgery
- Cardiology services and imaging for complex case work
- Wellness, diagnostics, and surgery

From Our Pet Parents:

Google reviewers talking about your new coworkers...

I can't say enough about the wonderful care we received

The team at New Smyrna Beach Animal Medical Center exemplifies professionalism, kindness, and genuine care.

Work-Life Balance in New Smyrna Beach

New Smyrna Beach offers sunshine, small-town warmth, and ocean-side relaxation. Enjoy beach walks at Smyrna Dunes Park, boating on the Indian River, and dining along Flagler Avenue or the Canal Street Historic District. The laid-back pace lets you recharge while staying close to the excitement of Orlando.

Why This Team Stands Apart

As a "2024 Best Veterinary Clinic" in our area, we pride ourselves on consistency, client trust and high-quality care.
