

**Animal Emergency Clinic
of Springfield**

Where Emergency Medicine Meets Purpose-Driven Teamwork

At the Animal Emergency Clinic of Springfield, every shift is an opportunity to make a **life-saving difference**. As a 24/7/365 emergency hospital, our team delivers high-quality, compassionate care when pets need it most, handling everything from urgent illnesses to critical, complex cases. **The team culture is adaptable, collaborative, and driven by both curiosity and compassion**, we're proud to boast strong medicine, continuous improvement, and **real support**.

A Culture of Support

Our culture is rooted in collaboration, mentorship, and mutual respect, where **doctors and technicians work side by side** to deliver the best outcomes for every patient. You'll be supported by a **highly skilled, engaged technical team**, allowing you to focus on diagnostics, decision-making, and treatment planning

Equipped for Advanced Emergency Care

Our hospital is fully equipped to support rapid diagnostics, critical care, and emergency surgical intervention, giving you the tools you need to practice high-level medicine with confidence.

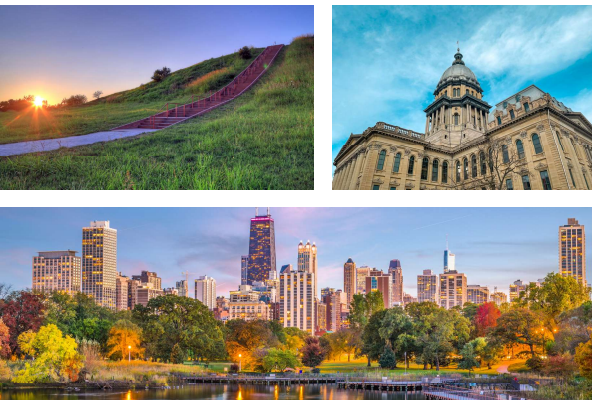

- X-Ray & Ultrasound
- Fully equipped surgical suite with Cardell monitoring, electrocautery, and cold laser
- IDEXX in-house laboratory (ProCyte, Catalyst Dx, Sedivue, InVue, coagulation analyzer, digital cytology)

Hear from our amazing clients!

"They've been so sympathetic and helpful every time. I really appreciate the kindness of their staff."

"Amazing experience, friendly and great staff at every interaction and I am so thankful they are here!"

Big City Access, Small Town Feel

Located in Springfield, Illinois, our community offers the perfect blend of accessibility and comfort. With a welcoming, family-friendly atmosphere, low cost of living, and short commute times, it's easy to build both a career and a life here. Enjoy local restaurants, parks, and outdoor activities, or take advantage of quick getaways, just two hours from St. Louis and three hours from Chicago.
