City Living with a Friendly Feel

Life in Indianapolis allows you to enjoy the charm of friendly neighborhoods while staying close to a dynamic downtown scene. Cheer on the Colts at Lucas Oil Stadium, catch a game at the ballpark, or explore the wonders of the Indy Zoo and one of the nation's best children's museums. For pet lovers, the city's abundance of dog-friendly restaurants and bars makes it easy to include your four-legged friend in the fun. In Indy, adventure is always just around the corner — and so is the feeling of home.
