

## Where Compassion and Community Come First

At **Greenwood Veterinary Care**, our veterinarians and staff work together in a **welcoming, family-oriented environment** where teammates check in and celebrate each other's successes. For four years, we've proudly served Brooklyn with a relationship-driven approach to care. Beyond the exam room, we foster a strong sense of community through our annual Spay-a-thon for underserved pets. Our veterinarian's pair strong clinical and diagnostic skills with clear communication and attention to detail while strengthening the bond between veterinarian, patient, and client.

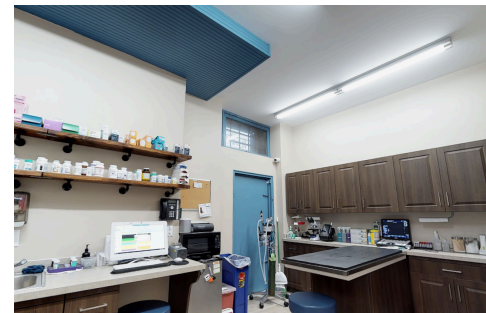

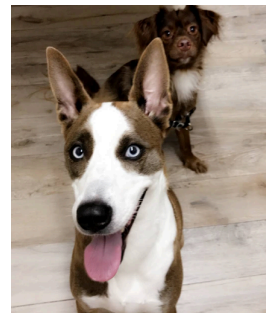

### Practice The Greenwood Way

We combine modern diagnostics with thoughtful, individualized treatment plans, ensuring that each patient receives the attention and care they deserve. We care about all the details to best serve our clients, down to providing parking in crowded Brooklyn!

### Committed to Top Quality Medicine

Our hospital is equipped with modern diagnostic and surgical tools that allow our veterinarians to practice high-quality medicine with confidence.

- Digital radiography
- Digital dental radiography
- In-house IDEXX laboratory diagnostics
- Ultrasound and echocardiography capabilities
- PRP and stem cell therapy
