

Compassionate Care Starts with a Connected Team

At Candlewood Animal Hospital, we're proud to have built a culture rooted in **respect, support, and a genuine love for what we do**. We work hard, care deeply for our patients and each other, and believe that a positive, connected team makes all the difference. Our team is empowered to grow their skills and explore new ideas. **We value individualized care for every patient** and encourage team members to bring curiosity and compassion into every case. If you're a team player who's passionate about veterinary medicine and looking for **a place where you can grow, be supported, and truly belong** — you'll feel right at home here.

Leading Care with Recognized Expertise

We're proud to be PENNHIP certified, trained in pet rehabilitation, recognized as a Cat Friendly practice, and honored with the Heart of the Bulldog Award for our dedication. We're a team that is always working to do what's best for our patients and their families.

Fully Equipped for the Best Care

Our hospital is equipped with technology that helps us provide the highest level of medicine to our community.

- Comprehensive in-house diagnostics
- Digital radiography & Ultrasound
- Oxygen cage
- Portable anesthesia machine
- Phobia light therapy

Your Next Adventure Starts in New Milford

New Milford, CT is like a postcard brought to life—charming, outdoorsy, and just the right amount of fun. Located in the foothills of the Berkshire Mountains, you've got Lovers Leap State Park for epic views, Candlewood Lake for lazy summer days, and a downtown that feels straight out of a Hallmark movie. Farmers markets, local breweries, and hiking trails are all part of the everyday vibe. It's the kind of place you can slow down, spread out, and actually enjoy where you live.
