

A Place to Thrive in Veterinary Medicine

Join a Team That Feels Like Family

If you're looking for a veterinary team that's as passionate about animals as you are, you've found your people! At Animal Care Associates, we don't just practice medicine—we elevate it, bringing energy, expertise, and a whole lot of heart to every case. Our AAHA-accredited hospital is staffed by knowledgeable, hardworking professionals who love what they do—and it shows. The team culture? Think clear communication, a positive environment, and an incredibly supportive group who value one another. If you're a dedicated, reliable, and enthusiastic animal lover who wants to work with an amazing team and make a real impact, this is the place for you.

Advanced Tools for Exceptional Veterinary Medicine

Our practice is equipped with advanced tools and technology that allow us to provide top-tier care for a wide variety of patients, ensuring both routine and complex cases can be handled with precision and efficiency.

- State-of-the-art Idexx laboratory (CBC, Sedivue, Chemistry)
- Digital radiography
- Companion therapeutic laser
- Doppler ultrasound
- Ellman radio-surgical equipment

Your Gateway to Scenic Beauty and Adventure

Charleston offers scenic beauty, a vibrant arts scene, and outdoor escapes like Kanawha State Forest. Explore local flavors at Capitol Market, catch a show at the Clay Center, or dive into history at the State Museum. Festivals, live music, and a welcoming community make life here special. Plus, with the New River Gorge just a short drive away, world-class hiking and rafting are always within reach. Charleston is the perfect place to call home.

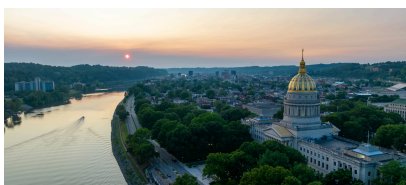

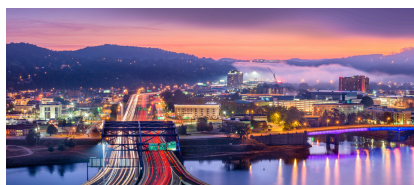

Get the Scoop on Your New Team from ACA Pet Parents

"I love the staff and will continue trusting them to care for my reptile."

"They are very caring and respectful of our love of our babies."
