

Join a Team Where Kindness Leads

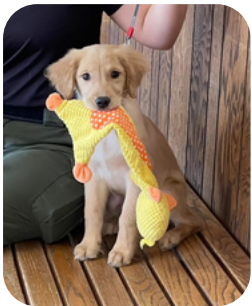

At Central Hospital for Animals, we have **four amazing locations across Southern Illinois** serving clients from all over the region. Our skilled team thrives on **collaboration, curiosity, and care**. With freedom to shape your career—whether that means developing a special interest, expanding surgical skills, or mentoring others—we **provide the tools, training, and support to help you succeed**. Every day brings variety and purpose, all while surrounded by colleagues who share your commitment to learning and providing the best experience for pets and their families.

Hear from Our Pet Families!

"My experience here at Central Hospital For Animals East side was phenomenal."

"Staff is very friendly and I feel confident leaving my pup in their hands."

Equipped to See a Wide Variety of Cases

We see it all, from wellness visits, urgent care cases, surgery, and exotics, giving you both variety in cases and the opportunity to provide care to many types of patients. We are equipped with:

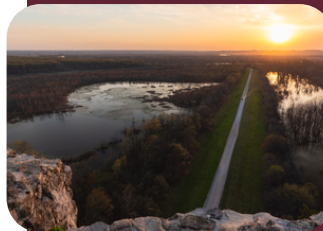

- Surgery Suite
- Digital Radiography
- Ultrasound
- In-House Bloodwork & Urinalysis
- Microscopy
- EKG with Specialist Interpretation

A Reputation To Be Proud Of

For decades, our reputation has been built on word of mouth and the loyalty of clients who trust us to care for their pets year after year. From annual wellness visits to urgent care, our patient-first, client-focused culture shines through. We also host seasonal events like Dental Month, a Pet Health Festival, and our 12 Days of Christmas, showing our commitment to education and community connection.

Find Your Home in Southern Illinois

With locations in Carbondale, Herrin, Harrisburg, and Marion, Central Hospital for Animals puts you in the heart of southern Illinois— you'll find Giant City State Park and Shawnee National Forest just minutes away, Carbondale's vibrant university town brings energy and diversity, while nearby Paducah, Cape Girardeau, and St. Louis provide easy access to city amenities, entertainment, and weekend getaways.
