

Where Every Shift Makes a Difference

Emergency Pet Care in Trussville is a boutique emergency hospital that combines advanced medical capability with a **personalized, high-touch approach**. We deliver attentive, relationship-driven care while maintaining the full scope of emergency services and building meaningful connections with our clients. Our modern, clean facility features **three well-appointed exam rooms** and a **warm, approachable environment** that supports both team efficiency and client comfort. A structured, well-coordinated workflow ensures a **strong, consistent caseload** without the chaos often found in emergency settings. Here, you'll be able to stay focused, supported, and a part of a team that values **continuous growth and shared success**.

Built for High-Impact Emergency Medicine

Our hospital is built for emergency care, equipped with advanced diagnostics and treatment capabilities that allow our team to act quickly in critical moments.

- In-house diagnostics (CBC, chemistry analyzers, SediVue)
- Advanced digital radiography and ultrasound
- Endoscopy and gastroscope capabilities
- Oxygen cages and fluid therapy
- Emergency surgical suite

What Our Pet Parents Appreciate Most

Google reviewers talking about your new coworkers...

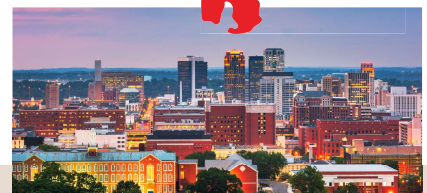

"I was so very happy with the staff and how they treated my cat and me. Very understanding and compassionate!"

"Wonderful environment and even better staff members."

Trussville, AL Your Gateway to Happy Living

Trussville offers a close-knit, laid-back feel with downtown Birmingham just minutes away for great food, live events, or a night out. When the workday ends, it is easy to recharge. Head to Ruffner Mountain's miles of scenic trails or explore the Red Mountain landscape for fresh air and views. It is the kind of place where you can slow down, be a part of a true community, and still have everything you need within reach

A Team That Shows Up When It Counts

Our culture is centered on collaboration, respect, and accountability, with a **team that communicates openly and stays aligned** to keep things running smoothly. The dynamic is both supportive and genuinely enjoyable. We prioritize growth through **ongoing training and development** to support long-term success, while also making time to **celebrate birthdays, milestones, and team moments**.
