

Where Long-Term Relationships Still Matter

Valhalla Animal Hospital has been a trusted part of the local community, building relationships that span generations of pets and their families. **Many clients have been bringing their pets to the practice for more than 15 years**, creating the kind of continuity that allows veterinary teams to truly know the people and animals they serve. As a full-service general practice, the hospital provides wellness care, dentistry, surgery, diagnostics, and advanced imaging support. We've built a **close-knit team** where we celebrate milestones together through holiday parties, summer BBQs, and birthday celebrations. We **prioritize continuous learning and mentorship** by hosting volunteers and student externs.

Trusted Medicine with Specialty Support

The hospital includes **two exam rooms, a dedicated surgical suite, treatment area**, and boarding and daycare facilities, allowing the team to support a variety of patient needs under one roof.

- IDEXX in-house laboratory diagnostics
- ANTECH and IDEXX laboratory support
- Digital Radiography
- Traveling ultrasound & echocardiography specialists
- Surgery & dentistry services

Get the Scoop on Your New Team Our Pet Parents

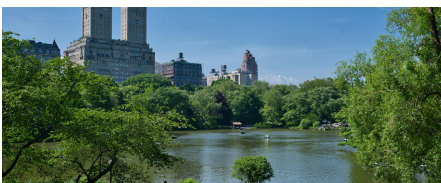

"The team was attentive, caring, patient and knowledgeable. I highly recommend them for care that needs a little more investigative work"

I can't say enough great things about the Valhalla Animal Hospital!

Suburban Comfort with New York City Within Reach

Valhalla offers the best of Westchester County living, where tree-lined neighborhoods, top-rated amenities, and an easy commute to New York City come together. Spend your weekends exploring local parks, attending concerts and festivals at Kensico Dam Plaza, or enjoying the dining, shopping, and nightlife just minutes away in White Plains. With quick access to New York City, excellent schools, and beautiful neighborhoods, it's easy to see why so many people choose to call this area home.
