

Montebello VETERINARY HOSPITAL

Care That's Connected — To Pets, Clients, and Each Other

Montebello Veterinary Hospital is the real deal — **45+ years of trusted care**, generations of loyal clients, and a team that's all in on making every day count. We're a high-energy practice, but it never feels chaotic — just connected. Whether you're diving into wellness care or scrubbing in for surgery, you'll have all the tools you need: digital x-ray, ECG, ultrasound, in-house lab, and more. Want **mentorship**? We've got it. Flexibility? Absolutely. **Supportive teammates**? You know it! If you're compassionate, practical, and a strong communicator who's down to learn and grow — this is your moment. Let's do something amazing together!

Dedicated to Supporting our Community!

We have earned recognition from both the City and local Police Department for our commitment to care, including keeping their K9 officers in top shape. We're here for the whole community, paws, people, and all.

Fully Equipped for the Best Care

We are newly renovated! Along with a new look, you'll have access to the technology you need that helps you deliver expert care.

- Comprehensive in-house diagnostics
- Ultrasound and ECG
- Dental radiographs
- Digital radiography
- Surgical suite

Your Next Great Adventure Starts in Montebello

Montebello, CA, and the surrounding areas offer the best of both worlds — a vibrant community with easy access to everything Los Angeles County has to offer. Nestled just a short drive from the stunning beaches and the bustling heart of downtown LA, Montebello is perfectly positioned for those who love suburban charm with urban convenience. Montebello is the ideal place to live, work, and thrive. Welcome home!
