

Where Efficiency Meets Excellence in Medicine

QUALITY
Veterinary Care

At **Quality Veterinary Care**, we've built a **well-established, fast-paced general practice** where advanced medicine and efficient workflows go hand in hand. Supported by robust in-house diagnostics and **strong surgical capabilities, including orthopedic procedures**, our team is able to practice confident, high-level medicine while following cases through every stage of care. With a **loyal and growing client base**, we are known for strong relationships, consistent care, and a **compassionate, low-stress approach**. Our team thrives in a structured environment that continues to evolve, with a culture rooted in **collaboration, accountability, and communication**. This is a practice for those who take initiative, value feedback, and want to grow their skills while being part of a team focused on doing things the right way.

Fully Equipped for Every Pets Needs

Our hospital is equipped with advanced diagnostics, surgical capabilities, and modern systems designed to support efficient and top of the line care.

- In-house diagnostics including bloodwork analyzers, cytology, blood pressure, and ECG
- Digital radiography, dental X-ray, and ultrasound
- Dedicated surgery suite with soft tissue and orthopedic capabilities
- Comprehensive dental suite with advanced imaging and treatment
- Anesthesia monitoring and patient support equipment

Get the Scoop on Your New Team from Our Pet Parents

"The staff here are fantastic and the care my pup received was top notch."

"The veterinarians are excellent and kind. All the techs and support staff are professional and caring - about the animals and their people!"

Life in Long Island

Located on Long Island, Quality Veterinary Care offers a great balance of suburban comfort and city accessibility. Residents enjoy top-rated schools, beautiful beaches, and a diverse dining scene, all within reach of New York City. Whether you're looking for a relaxed lifestyle or access to the energy of the city, this area offers the best of both worlds.
