

High-Quality Medicine, Team-Driven Culture

Bondurant Animal Clinic and **Newton Animal Clinic** believe great medicine starts with a great team. As **AAHA-accredited practices**, we hold ourselves to the highest standards of veterinary care, by delivering thoughtful, high-quality medicine while supporting one another every step of the way. The ideal teammate values **collaboration, is eager to learn**, and thrives in an environment where **mentorship and teamwork** are part of the everyday experience. With a team of experienced **doctors bringing over 80 years of combined expertise**, you'll have the opportunity to grow your skills, expand your knowledge, and build a meaningful career.

A Culture Full of Care

We stay engaged both inside and outside the clinic, participating in local parades, celebrating Vet Tech Week with themed dress-up days, shared meals, and hosting regular team outings and monthly meetings.

Tools for High-Quality, AAHA-Standard Care

Our **newly renovated, state-of-the-art facility** allows us to provide comprehensive, efficient, and high-quality care.

- IDEXX in-house laboratory systems (Sedivue, InVue)
- Digital radiography
- Digital dental radiography
- Ultrasound
- ECG monitoring
- Capnography

What Our Pet Families Are Saying

Google reviewers talking about your new practice.

"We've been taking our 3 dogs here for several years. All the staff here have always been kind and show great concern for our pets health."

"They were patient, professional, treated our Lily very well and fielded all questions. Would highly recommend to anyone!"

Comfort, Community, and Easy Access to Des Moines

Bondurant and nearby Newton offer the charm of close-knit communities with easy access to Des Moines. The area is known for its affordable living, growing neighborhoods, and strong community feel, along with local highlights like Iowa Speedway and nearby parks and trails. With quick access to city dining, entertainment, and events, this location provides a balanced lifestyle that makes it easy to feel at home.
