

Yorktown Veterinary Associates

Where Modern Veterinary Care Meets True Community

At **Yorktown Veterinary Associates**, we're a small but dedicated team that values **teamwork, respect, and compassion** in everything we do. Our modern, welcoming clinic is tucked away in a peaceful spot and equipped with two exam rooms, a full in-house lab, and a well-organized treatment, surgery, and recovery area. Here, every team member plays an important role, and we've built a supportive, collaborative culture where **your voice matters** and your work truly makes a difference. We also enjoy coming together outside of work, from team lunches to local community events, creating a **positive and connected workplace**.

Caring for Pets, Supporting Our Community

At Yorktown Veterinary Associates, we're proud to be part of the Yorktown Heights community we call home. From local events and partnerships to everyday care in our clinic, we're dedicated to supporting both pets and the families who love them. By combining advanced veterinary services with a welcoming, small-town feel, we strive to make a positive impact on every family who walks through our doors.

Modern Tools for Exceptional Care

From routine checkups to advanced procedures, our practice is equipped to support the highest quality medicine with precision and care, equipped with:

- In-house Laboratory
- Ultrasound & Digital X-Rays
- Surgical Monitoring & Support

What Makes Us Special

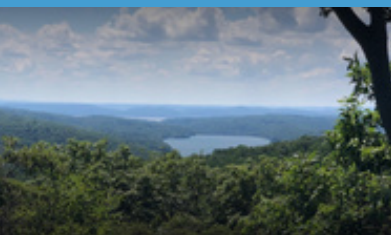

Google reviewers talking about our amazing team...
