

A Neighborhood Clinic Rooted in Community

Westport Animal Clinic has been a trusted part of the Topeka community for more than **four decades**, blending the feel of a true neighborhood practice with **caseload variety** and **hands-on medicine** that keep veterinary work engaging. Known for building **multi-generational client relationships** and never turning pets away, the hospital has earned a reputation for approachable, dependable care that keeps families coming back year after year. Doctors stay involved across a wide range of medicine, including wellness care, dentistry, surgery, urgent cases, and more advanced procedures, while working in a highly collaborative environment where **mentorship, open communication, and shared case support** are part of the everyday culture.

A Team That Makes It Easy to Belong

There is a **steady, supportive energy** at Westport that makes the hospital feel **approachable** and easy to settle into. The team makes time to celebrate together through birthday treats, Christmas parties, and everyday efforts to keep the **vibe upbeat!**

Care in a Community-Focused Setting

With three exam rooms, a surgical suite, treatment area, isolation space, and separate boarding areas, we've created a functional environment that supports a steady variety of medical and surgical work. You'll have access to:

- IDEXX In-house diagnostics
- Digital radiology & ultrasound machine
- Dental equipment & dental care services
- Surgical capabilities

What Our Clients Say About Us

Hear from our Westport Pet Parents.

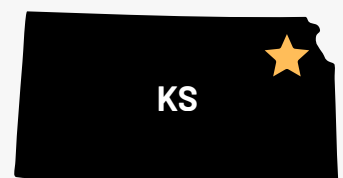

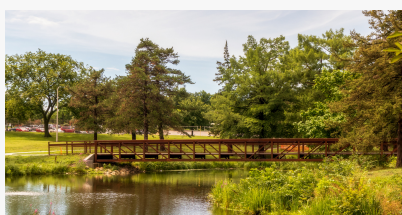

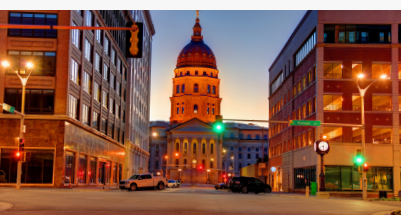

"The clinic was clean and very well organized. The vet on site was very kind and gentle and happy to give any knowledge needed."

"They came highly recommended to us by a friend who had taken her dogs there for many years."

Life in Topeka, Kansas

Locals spend weekends exploring places like Lake Shawnee, walking trails at Gage Park, or grabbing food from longtime neighborhood favorites and local breweries around town. There is a strong sense of community here, along with space to actually enjoy your time outside of work. You also have easy access to both Kansas City and Lawrence when you want a bigger-city day trip, while still coming home to a quieter, more manageable pace of life.
