

A Culture of Care, A Legacy of Excellence

Where teamwork, compassion, and top-quality medicine come together.

At Ayers Animal Hospital, we believe that **great veterinary medicine begins with a positive culture**. Our team thrives on respect, encouragement, and a shared commitment to caring for patients. Led by Dr. Mark Ayers, who has been caring for pets and mentoring staff for over 45 years, our team brings diverse interests and skills that complement one another beautifully. We're a small animal practice **experiencing exciting growth**, with six exam rooms and three more opening soon! From our expanding facility to our recently enlarged parking lot, every improvement reflects our dedication to providing the best environment for our team, clients, and patients.

Join an Award-Winning Team That Feels Like Family

At Ayers Animal Hospital, we're proud to uphold the highest standards of veterinary care as an **AAHA-accredited practice since 1987**. Our team is deeply dedicated to providing exceptional medicine and compassionate service to every patient and client who walks through our doors. We value **collaboration, communication, and a positive, adaptable spirit**—because great care starts with a great team. If you're excited about delivering the best patient care with a team you can count on, we'd love to meet you!

Comprehensive Care, Inside and Out

From advanced diagnostic and surgical equipment to on-site grooming and boarding, we have everything our team needs to provide a lifetime of health and comfort for pets, including:

- X-ray, Ultrasound, & Laser Therapy
- IDEXX, Abaxis, and SediVue Machines
- EKG and BP Equipment
- Surgical Laser
- Incubator/Oxygen Cage

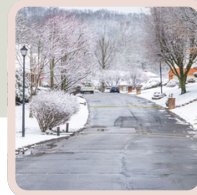

What Pet Parents Have to Say About Your New Teammates

"Dr. Ayers is absolutely wonderful!!"

"Very thorough and would 100% recommend to others."

"I can't say enough great things about this office! "

Where Community and Opportunity Thrive

Huntington, WV perfectly balances peaceful living with a lively community vibe. The city boasts a fascinating history, affordable lifestyle, and a diverse mix of people and experiences. Enjoy scenic green spaces like Ritter Park, riverside views, and a food scene that rivals bigger cities. Marshall University adds to the energy with year-round community and cultural events. Whether you're raising a family or starting a new adventure, Huntington is a great place to plant roots!
