

PLUM CREEK ANIMAL

Where Pets and People Become Part of Our Family

Since 1987, our iconic "Big Red Barn" has been a community landmark where generations of pet owners have trusted us with their animals. We offer a full range of services, from wellness care and surgery to boarding and grooming, along with our convenient Express Clinic for walk-in, routine care. Here, you'll work alongside a team that truly values compassion, learning, and making a difference. If you're looking to grow in a collaborative, caring environment, we'd love to meet you!

Your New Work Family

You'll be working alongside a group of caring, passionate people who genuinely support each other and love what they do.
