

Ardsley Veterinary Associates

Care That Starts with Compassion and Shows Up in Every Detail

At **Ardsley Veterinary Associates**, what truly sets the hospital apart is the culture. This four doctor team is **supportive, respectful, and genuinely enjoys working together**, creating an environment that feels collaborative without losing efficiency. Patients are treated with calm, attentive care, and the hospital has built a **loyal client base** that values strong relationships and truly trusts the team caring for their pets. We offer **wellness care, surgery, dentistry, urgent care, and laser therapy**, giving you the opportunity to stay engaged across a wide variety of cases while continuing to grow in a thoughtful, team-oriented environment. You'll be surrounded by knowledgeable and kind teammates and a great partner DVM who was named **Top Veterinarian** by Westchester Magazine.

Only the Best Team

We take pride in supporting each other's learning journeys, celebrating progress, and stepping in to help wherever needed. Connection outside of work comes to life through holiday celebrations, summer parties, and engaging team events!

Equipped for Everyday Care and Support

The hospital includes a dedicated surgical suite and treatment space designed to support a wide range of services, from routine visits to more advanced procedures. You will have access to:

- In-house diagnostics including CBC, chemistry, SNAP, and InVue
- Digital radiology, dental radiology & Ultrasound
- Surgical suite with Cardell touch monitors

What Our Pet Parents Are Saying

What Google reviewers are saying about us.

Small-Town Feel with Easy City Access

Ardsley offers a quiet, welcoming community just 30 minutes outside of New York City, giving you the best of both worlds. You can enjoy a slower pace at home while still having quick access to everything the city offers when you want it. Locally, you will find tree-lined neighborhoods, small parks, and easy access to outdoor spaces like the South County Trailway for walking, biking, or just getting outside. The area has a mix of local restaurants, coffee shops, and everyday conveniences that make daily life feel simple and comfortable.
