

Where Education & Compassion Come Together

For more than a decade, **Riverdale Park Animal Hospital** has been helping pets and families throughout the DC, Maryland, and Virginia region with a simple philosophy: every client deserves to understand their pet's care. While the hospital offers **comprehensive wellness, dentistry, surgery, radiology**, and diagnostic services for cats and dogs of all ages, what truly sets the practice apart is its **commitment to education and communication**. Clients consistently praise the team for taking the time to explain diagnoses, treatment options, recommendations, and costs in a way that feels approachable and empowering.

Hear from Our Local Pet Parents

"Staff is great, all of them! They have everything at the location too."

"Love the staff & doctors here! Very friendly & welcoming."

A Hospital That Feels Like Home

On any given day, you'll find technicians helping prepare medications for one another, doctors stepping into the lobby to personally update waiting clients, and team members jumping in wherever help is needed. Everyone understands that great patient care happens when people work together, not when they stay in their own lane. Outside the clinic, the team gathers for monthly cookouts, annual Renaissance Festival trips, visits to a local favorite brewery, and beloved cultural festivities.

Advanced Medicine with Trusted Support

The hospital includes three exam rooms, a dedicated surgical suite, treatment area, in-house laboratory, feline housing, and eight covered outdoor kennels. You'll be supported with:

- IDEXX in-house diagnostics
- SignalPET for board-certified radiology support
- Two mobile ultrasound specialists on call
- Orthopedic surgical specialist
- **Fear Free-certified** feline handling protocols across the staff

The Best of the East Coast

Riverdale sits in a unique position where city life, suburban comfort, and outdoor adventure all exist within easy reach. Located between Washington, D.C., Maryland, and Northern Virginia, the area offers access to some of the country's best museums, performing arts venues, restaurants, festivals, and cultural experiences. One weekend might include exploring the Smithsonian museum or catching a show at the Kennedy Center. The next could mean hiking local trails, spending time on the Chesapeake Bay, or enjoying a beach getaway.
