ADVANCED CARE WITH A LOVING TOUCH

About our Hospital

We strive to be a pet's best advocate, which demands that we practice successful preventative medicine, make accurate diagnoses, educate clients, achieve outstanding treatment results for our patients, and partner with our clients for pet care. Our team has built a great culture on a foundation of trust and support. We're proud to offer preventative care, dentistry, digital imaging, ultrasound, routine & advanced surgical procedures and more!

About the Area

Morristown is a place rich in natural beauty and Appalachian culture about 45 min east of Knoxville. Located between the Cherokee and Douglas Lakes, and just a short drive from Great Smoky Mountains National Park, this is an outdoor lover's paradise. Boating, fishing, mountain biking, hiking, camping, and disc golf are just a few of the outdoor activities that await. Cultural arts and history are abundant and our growing historic downtown district offers many unique shops and restaurants, and our city is host to annual events have become regional favorites.
