

Build Your Future with a Team That Invests in You

At **Yukon Veterinary Hospital**, we're focused on building long-term success for our team, backed by over 50 years of service. With a strong group of **experienced veterinarians, four RVTs, fear-free certified team members**, and many staff members who have been with us for five plus years, you'll be surrounded by **true mentorship**, collaboration, and the opportunity to keep developing your clinical skills every day. This is a place where people come to **learn, grow, and stay**, supported by a team that values both individual progress and shared success.

A Culture That Celebrates Growth

Our culture is built on encouragement, recognition, and genuine teamwork. We host **monthly team meetings** that encourage open discussion, recognize team members through **peer-nominated awards**, and keep things fun with activities like **team-based bingo**. We also stay connected to our community by participating in local events, **mentoring high school students** each semester, and **welcoming veterinary externs every summer**.

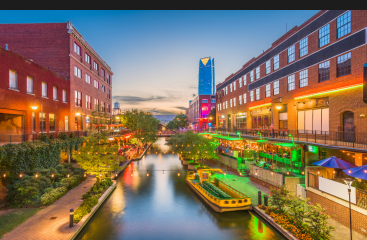

Equipped for Compassionate Care

Our hospital is equipped with advanced diagnostic and treatment tools that allow our team to deliver high-quality, efficient care across a wide range of cases.

- IDEXX in-house diagnostic laboratory
- Digital & dental radiography
- Ultrasound
- Laser therapy

Small-Town Feel, Big Opportunity

Yukon, Oklahoma offers a great balance of small-town feel and easy access to city life. Located just outside Oklahoma City, you can enjoy local parks and community events while being minutes from the energy of OKC. Spend your time exploring the Bricktown entertainment district, catching a Thunder basketball game, or trying out some of the city's growing food scene. It's an easy place to settle in, stay connected, and enjoy life both in and out of the clinic.
