

# Generations of Expert Pet Care

## Caring for Lincoln's Furry Friends

Working at Capitol Animal Clinic means joining a passionate, experienced, and close-knit team that values learning, laughter, and long-standing client relationships, some of which span several generations. Founded in 1957, we're proud to be a trusted part of the Lincoln community for over half a century. Our clinic fosters a supportive environment with room to grow, a casual and fun culture, and thoughtful touches like team outings (zoo trip, anyone?). If you're a motivated, passionate veterinarian who loves building strong client relationships, we'd love for you to apply—whether you're experienced or just getting started!

## Equipped for Best in Class Veterinary Care

Our building may be historic, but it's equipped with modern tools, and we offer a wide range of services, from preventative care to urgent daytime visits.

- In-House Diagnostics (Idexx, Zoetis)
- Digital X-Ray
- Ultrasound with Color Doppler
- Surgical and Therapeutic Lasers
- Endoscope

## Fun, Friends, and Football - Lincoln's Got it All

Living in Lincoln, Nebraska offers the best of both worlds, a big city with a small-town feel. As the state's capital, Lincoln has plenty to do, from concerts and shows at Pinnacle Bank Arena to the excitement of Husker football. Our clinic is nestled on the quieter, suburban east side of town, just a short drive from the bustling energy of "O" Street, one of the city's main hubs for dining, shopping, and entertainment. It's a place that truly feels like home.

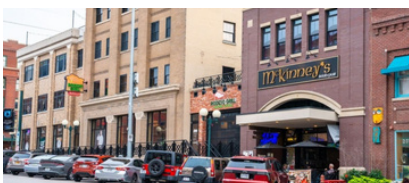

## What do our pet parents have to say?

*"Thank you so much for all you guys have done for us and our pets over the years!"*

*"I would strongly recommend Capitol Animal Clinic to anyone!"*
