

Care That Goes Beyond The Clinic

Bedford Veterinary Medical Center and Lowell Road Veterinary Center offer an exceptional opportunity to practice high-quality, compassionate medicine across **urgent care, preventive care, and physical therapy**. Join a **multi-service, multi-location team** that values growth and a positive, fun culture. We're seeking a **reliable and empathetic team player** who thrives on teamwork, high standards, and making a real difference.

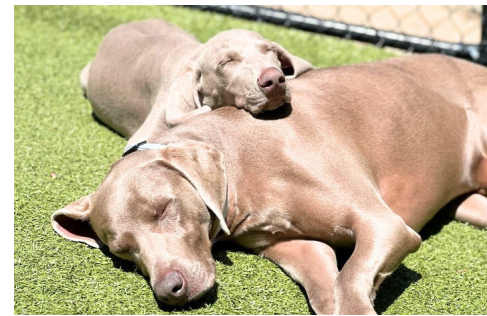

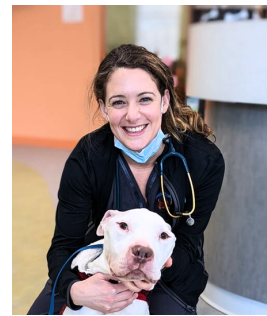

A Place to Thrive in Veterinary Medicine

Our culture is **warm and collaborative**, built on **clear communication, teamwork, and a commitment to shared success in modern veterinary hospitals**. We encourage innovation and continuous improvement in patient care.

Equipped for Exceptional Care

Practice specialty, preventative, and urgent care with **Board-certified specialists** using cutting-edge technology:

- Rehabilitation and physical therapy
- Digital X-Ray with Stat Imaging
- Ultrasound
- Oxygen Cage
- IDEXX diagnostics, with ProCyte, Catalyst, and SediVue

★★★★★ What Our Clients Are Saying

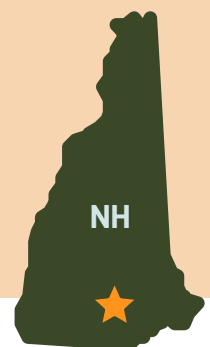

Hear about your future teammates!

"Couldn't ask for a better group of people to care for my babies!"

"The compassion from everyone on staff is so appreciated!"

The Best of New Hampshire, Right Outside Your Door

Located in the highly desirable town of Bedford, our practice is surrounded by scenic New England charm, top-rated schools, and a vibrant yet relaxed community. Spend weekends exploring trails and relaxing by Lake Massabesic, enjoy shopping and dining in Manchester, or take a short drive to Boston. With the White Mountains, lakes, and beaches nearby, Bedford makes it easy to build your career while enjoying your lifestyle.
