

Position Title	Research Fellow
Group/Portfolio	Griffith Sciences / The Centre for Planetary Health and Food Security
Classification	Research Fellow, Grade 1
Position Number	00062816
Reports To	Associate Professor Susan Bengtson Nash
Employment Type	Fixed term

1.0 Position Purpose

The Research Fellow position will sit within Griffith University's Centre of Planetary Health and Food Security and will be associated with the project "*Life in the Shipping Lane; The Cost of Increasing Disturbance to Whales*", which is funded by an Australian Research Council Linkage grant. This project represents a community collaboration between Griffith University, The Port of Brisbane Pty. Ltd., Healthy Land and Water, Danish Hydraulic Institute (DHI), and The Stradbroke Flyer), as well as The University of the Sunshine Coast, Murdoch University and the Commonwealth Scientific and Industrial Research Organisation (CSIRO).

2.0 Eligibility Requirements

- PhD in a related field (e.g. Cetacean ecology, mammalian physiology, or environmental economics).

3.0 Key Responsibilities

- Conduct fieldwork and research that contributes to the research objectives of the Centre and associated project.
- Develop a good publication record in high impact, international, esteemed peer-reviewed journals.
- Contribute to the Centre's research projects as appropriate to research skills.
- Contribute to teaching activities as required.
- Manage the preparation and formulation of publications, presentations and research reports arising from the research.
- Assist in mentoring and supervision of higher degree research candidates.
- Supervise Research Assistants and technical staff.

- Support compliance with relevant legislation and University policies and procedures, including research ethics, equity, quarantine and health & safety, laboratory standards and exhibit good practice in relation to same.
- Be a leading example of the principles and values embodied in the University's Code of Conduct, and behave, act and communicate at all times to reflect fairness, ethics and professionalism.

4.0 Key Capabilities

- Griffith University identifies the attributes of resilience, flexibility, creativity, digital literacy and entrepreneurship as critical to our graduates' success, in the rapidly changing future world of work. We have established a Griffith University Capability Development Framework to provide a common language of some of the non-technical organisation skills that will support our staff to thrive now and into the future. The Capability Development Framework will assist you to understand the current skill level of this position in the non-technical but critical skill domains that are increasingly important in a changing workplace context.

To read about some of the non-technical organisation skills for this position, please see the **Leads Self** section of our [Capability Development Framework](#).
