This position requires advanced clinical expertise and leadership to ensure high-quality mental health services for young individuals.

Key Deliverables

- Lead and deliver specialist counselling to young individuals (12–25 years) experiencing severe mental illness. Supervise and mentor junior clinicians to maintain high service standards.
- Achieve and exceed service targets and prescribed workloads.
- Ensure accurate and timely documentation of service delivery.
- Foster collaboration with local stakeholders and other support services for coordinated client care.
- Participate in networking and collaborative forums to develop referral pathways and promote services.
- Provide clinical leadership and participate in clinical supervision.

Skills

- Advanced interpersonal and negotiation skills.
- Exceptional oral and written communication abilities.
- Strong leadership and team management capabilities.
- Ability to work independently and as part of a multidisciplinary team.
- Proficiency in computer applications (Windows, Word, Email, database applications).
- Competency in working with young people and families from diverse cultural or community backgrounds, including First Nations Australians, those from LGBTIQ+ communities, and those from remote and migrant communities.

### **Experience and Knowledge**

- Extensive experience in individual therapy, particularly with adolescents and young adults.
- Advanced understanding of mental health, trauma, and issues affecting youth and their families.
- Comprehensive knowledge of mental health services and networks.
- In-depth understanding of the social determinants of health and mental health recovery principles.
- Proficiency in therapeutic approaches such as CBT, DBT, ACT, and mindfulness.
- Proven experience in clinical supervision and team leadership.

### **Qualification/registrations/licences**

- Tertiary qualifications in a relevant field.
- Must maintain relevant annual registration and/or membership of professional body.
- Valid National Police Check.
- Working with Children Check.
- Additional certification or training in clinical supervision and advanced therapeutic techniques is advantageous.

### **Physical Requirements**

- Office Environment: Ability to sit for extended periods and use office equipment.
- Data Entry: Capability to type and handle administrative tasks.
- Office Mobility: Ability to move around the office and attend meetings.
- Light Lifting: Ability to lift and carry up to 5 kg (e.g., laptops or office supplies).
- Visual & Auditory: Ability to read documents and communicate effectively in person and via phone/video.
- Travel: Ability to travel locally for recruitment and onboarding activities.
