Portsmouth Hospitals NHS Trust

Locally Employed Doctor Job Description

Grade: Locally Employed Doctor (MT02/MT03)

Department: MEDICINE Division – OPM rotation initially

Reports to: Dr Rachel Mercer as LED lead or named educational supervisor/ department lead

---

Job Summary:

An exciting opportunity for an enthusiastic, dedicated, compassionate doctor has become available. Queen Alexandra Hospital, Portsmouth is a large acute hospital with 1200 beds, 28 operating theatres (including dedicated endoscopy suites) and excellent high care and critical care facilities. We are looking for doctors to recruit at an FY2 or IMT equivalent level into the Medicine Division.

The initial job will be covering maternity leave from February 2027 (12 months) with review to continue after. Initially gap in Older Persons Medicine/General Medicine/Specialty Medicine.

You may then be given the opportunity to rotate around core medical specialties.

What do we offer:

- A dedicated Educational Supervisor
- Clinical Supervisors for each rotation
- Access to Study Leave with a study leave budget allocated
- Access to a teaching programme, tailored for locally employed doctors
- Annual appraisal to maintain GMC validation
- Support in future career progression
- Opportunity for pay increase on completion of CREST form with support from supervisor if working at FY2 level
- Opportunity to be involved in Audit/Quality Improvement Projects

---

Key Responsibilities:

The post holders will contribute to the delivery of a high-quality service, helping to drive a multi-disciplinary team approach to care within the specialty.

Duties will include

- Attend daily ward handovers
- Work as part of a medical ward team
- Work and liaise with a ward multi-disciplinary team
- Review of ward patients
- Perform basic clinical skills
- Prescribing

- Discharge Planning and Discharge Summaries
- Maintaining continued professional development
- Complying with local policies and standards including completing mandatory training and annual and study leave policies
- Out of hours/on call work (either covering the wards or the acute medical unit admissions)

Person Specification

Qualifications

- Full GMC registration with a licence to practice
- MBBS, MBChB or equivalent
- Advanced Life Support (Desirable)
- Evidence of course/exams (such as MRCP, GMC Welcome to UK practice course) (Desirable)

Clinical Experience

- Experience of the NHS
- Previous employment in a medical specialty in the NHS

Clinical Skills

- Ability to prioritise clinically urgent tasks

Knowledge

- Able to demonstrate appropriate level of clinical knowledge

Other

- Evidence of participation in audit, quality improvement or other relevant projects
- Excellent written and verbal communication skills

Respect and Dignity

Quality of Care

Working Together

Efficiency

Job holders are required to act in such a way that at all times the health and well being of children and vulnerable adults is safeguarded. Familiarisation with and adherence to the Safeguarding Policies of the Trust is an essential

requirement for all employees. In addition, all staff are expected to complete essential/mandatory training in this area.
