Would you like to be a part of it? Find your peace of mind!

Oetiker, Inc was established in 1981 in Marlette, MI. Clamp production got underway that same year to service the automotive and industrial applications markets in North America. In 1997, Oetiker built a brand new 70,071 square foot Clamping Technology Center across the street from the original facility, which accommodates both the production and administration operations. Oetiker continues to develop and grow as the Group expands product offerings to provide customers with high-quality engineered connecting solutions.
