About 1,800 colleagues in more than 30 countries play their part in ensuring that our products optimally combine mission-critical components. Whether it's motors, airbags or heart pumps – every day we develop connecting solutions for a wide variety of industries and thus take important steps towards a better future. Would you like to be a part of it? Find your peace of mind!

Oetiker, Inc was established in 1981 in Marlette, MI. Clamp production got underway that same year to service the automotive and industrial applications markets in North America. In 1997, Oetiker built a brand new 70,071 square foot Clamping Technology Center across the street from the original facility, which accommodates both the production and administration operations. Oetiker continues to develop and grow as the Group expands product offerings to provide customers with high-quality engineered connecting solutions.
