## 1.0 Position Purpose

The General Dentist will be responsible for the provision of high quality general dental care for the patients at the Griffith University Dental Clinic based at our Warwick facility.

This role will play an integral role in the development and operation of the clinic, establishing its position as part of the Warwick and Granite Belt communities.

The core focus of the role will be to provide supervision of undergraduate fifth year students undertaking comprehensive patient care across all disciplines at the level of a General Dental Practitioner, as well as treating patients during non-teaching weeks.

## 2.0 Eligibility Requirements

- A qualification which enables registration as a General Dental Practitioner with the Australian Health Practitioner Regulation Authority (Ahpra).

## 3.0 Key Responsibilities

- Participate in clinical support and supervision of educational and assessment activities with students to provide a high quality general dental service during teaching periods.
- Develop treatment plans and quotations in consultation with students and patients.
- Provide general dental treatment to patients as well as advising patients in the prevention of oral diseases during non-teaching periods.
- Maintain and update patient records in the Patient Management computer system (Titanium) according to Griffith University Dental Clinic policy and ensure the accuracy and currency of these records.
- Understand and practice the principles of infection control and abide by Griffith University Dental Clinic Infection Control policy at all times.
- Screen patients for educational requirements, through liaison with academic

staff/discipline leads whenever needed.

- Participate in multidisciplinary clinical meetings and contribute to the School and University administration through collaboration with other staff, participation on committees, attending school and/or group meetings, and other activities.
- Use materials and supplies as economically as possible within acceptable dental practice.
- This position may be required to take on other responsibilities, commensurate with the expectations of a role at this level, which contribute to the overall objectives of the work unit.
- Lead and promote compliance with relevant legislation and University policies and procedures, including equity and health & safety and exhibit good practice in relation to same.
- Be a leading example of the principles and values embodied in the University's Code of Conduct, and behave, act and communicate at all times to reflect fairness, ethics and professionalism.
