Meet Our Atmanauts

Michaela
Software Engineer

Joined November 2019

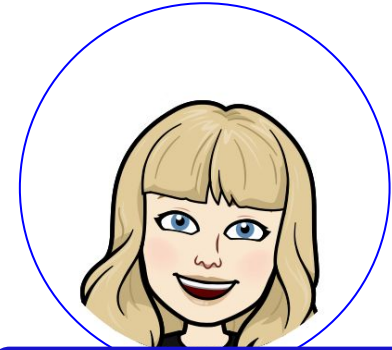

“Watching atma.io grow has been and still is exciting for me. What I probably like most about this company is its culture, where we all are human-beings first and treat each other with respect. While everyone can contribute, we are building our solutions together, aiming to be a source of good.”

Christian
Lead Software Engineer

Joined March 2020

“What I love about atma.io is its people-first mentality. It fosters a culture of respect and belonging where individuals count and are empowered to grow. It is a joy, being part of this family of passionate people and seeing how our vision becomes a reality.”

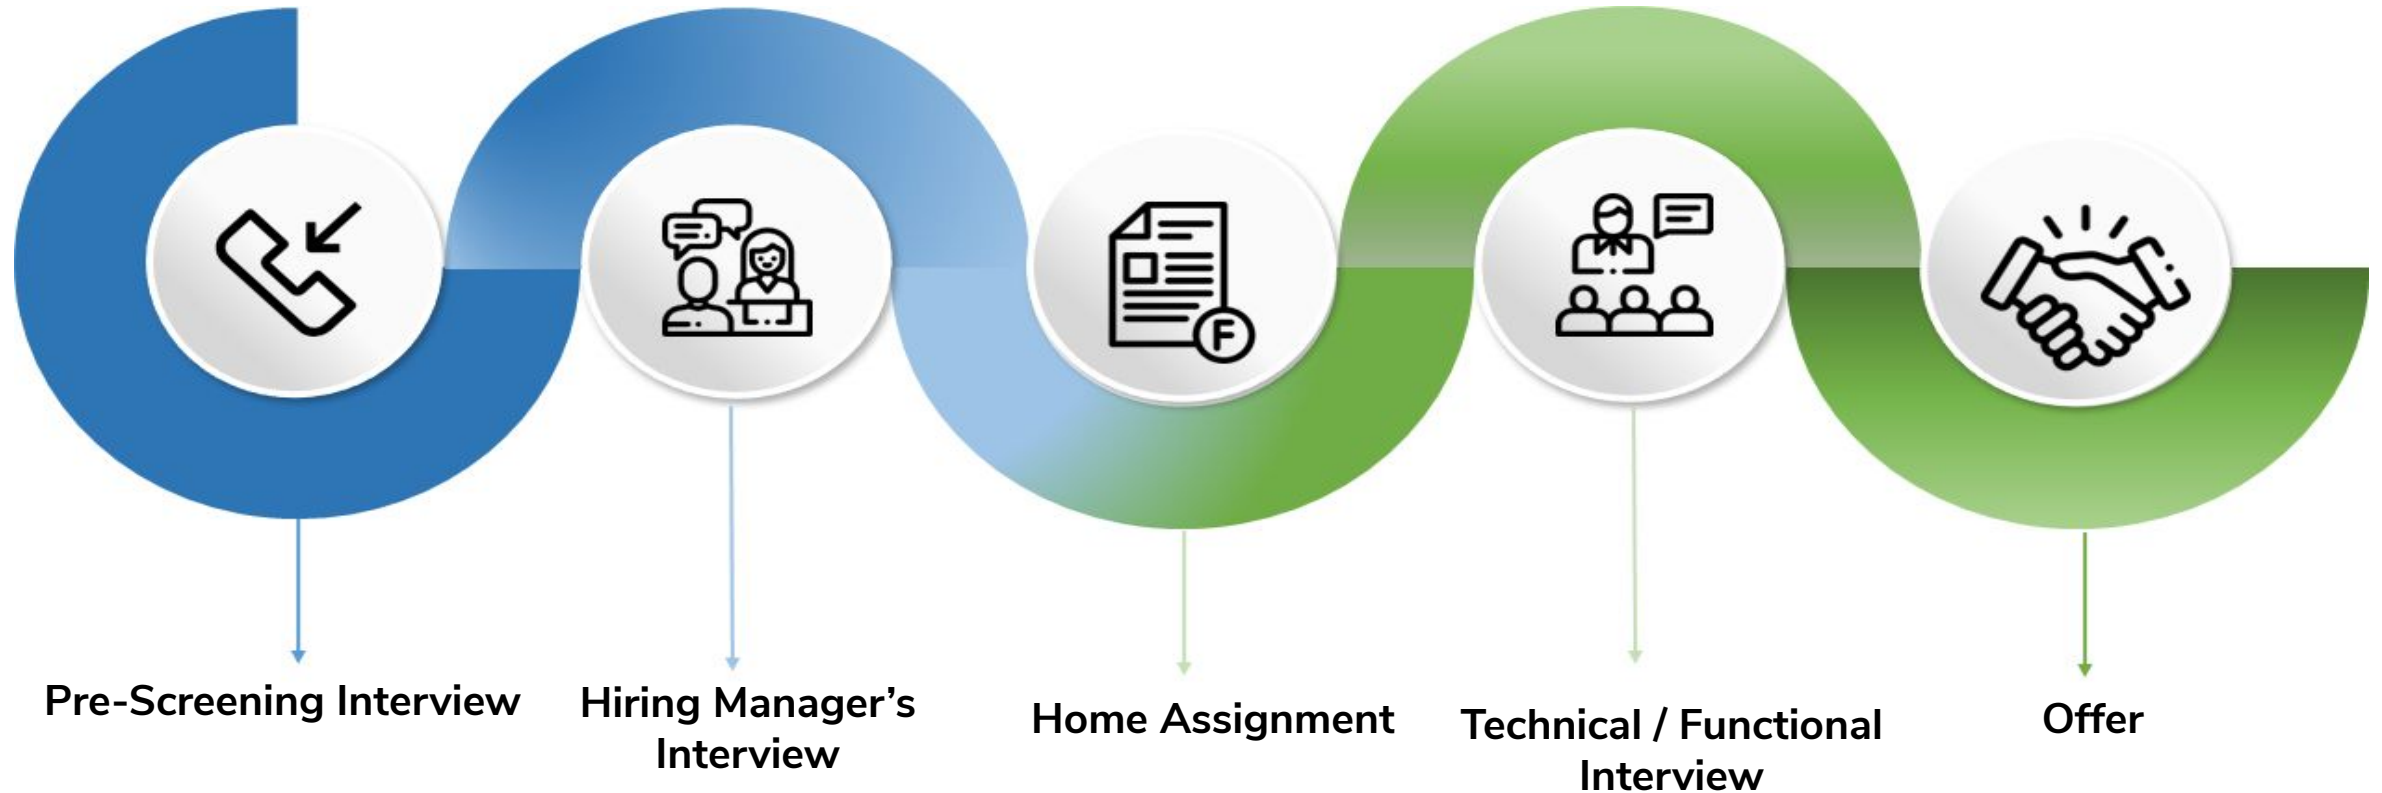

Katarina
Software Engineer

Joined January 2021

“To me, working at atma.io is a big learning opportunity - whether it's about new technologies that we use, or diverse cultures that we all are a part of. Most importantly, I learned how to be a part of an amazing team that gives everyone a chance to grow and learn about themselves.”¹
